Current approaches to modelling the **spread** of **wildland fire**: a **review**

GLW Perry - Progress in Physical Geography, 1998 - journals.sagepub.com

… **review** considers the development of some of the models and modelling approaches designed to predict the **spread** and spatial behaviour of **wildland fire** … for **wildland fire management** …

Machine learning and deep learning for **wildfire spread prediction**: A **review**

HS Andrianarivony, MA Akhloufi - Fire, 2024 - mdpi.com

… highly performant in predicting fire **behavior**. This paper presents a systematic **review** of recent ML and DL techniques developed for **wildfire spread prediction**, detailing the commonly …
