Analyzing **wildfire** evacuation **dynamics** with agent-based modeling in damaged road networks

F Ma, JY Lee - Safety Science, 2025 - Elsevier

… means for emergency **management** and evacuation planning, … **wildfire** evacuations in damaged transportation settings. The proposed framework uniquely integrates **wildfire simulation** …

Emergency logistics for **wildfire** suppression based on forecasted disaster evolution

Z Yang, L Guo, Z Yang - Annals of Operations Research, 2019 - Springer

… for **wildfire** suppression and disaster relief. For the first layer, a fire **propagation model** is first … and the factors affecting **wildfire propagation** and patterns. Second, based on the forecasted …

DEVS-FIRE: design and application of formal discrete event **wildfire spread** and suppression models

X Hu, Y Sun, L Ntaimo - **Simulation**, 2012 - journals.sagepub.com

… Next we discuss how the fire **spread model** and fire suppression **model** work, and provide formal … Current approaches to modeling the **spread** of **wildland fire**: A **review**. Prog Phys …
