Survey of **Forest fire simulation**

Q Siddique - Global journal of computer science and technology, 2009 - researchgate.net

… Our study examines and classifies various **model** of **forest fire** spreading based on 2D and 3D grids of cells The **simulation** of **forest fire propagation** involves several research fields and …

Fifty years of progress in **wildland fire** modelling: from empirical to fully physical CFD models

D Morvan, G Accary, S Meradji… - Comptes …, 2022 - comptes-rendus.academie-sciences …

… The aim of this short **review** is to present the progress made in **wildland fire** modelling … **model** [18–20]. For operational applications, requiring the **simulation** of **wildfire propagation** at a …
