Toward a comprehensive **wildfire spread model**

RO Weber - International Journal of **Wildland Fire**, 1991 - CSIRO Publishing

… It is hoped that the presented ideas will stimulate discussion on the likely viability of a future comprehensive physical **model** of **wildfire spread**. This author believes the simple models …

Empirical-based models for predicting head-fire rate of **spread** in Australian fuel types

MG Cruz, JS Gould, ME Alexander, AL Sullivan… - Australian …, 2015 - Taylor & Francis

… of each **model** of head-fire rate of **spread** and their … -fire rate of **spread** described in this **review** are listed in Table … In presenting the various **bushfire** rate of **spread** models used in …
