The potential and promise of physics-based **wildfire simulation**

HP Hanson, MM Bradley, JE Bossert, RR Linn… - … Science & Policy, 2000 - Elsevier

… In this study, we address the **simulation** of **wildfire behavior** and its use as a **management** … we **review** briefly the general concept of what we will call a national **wildfire prediction** program …

A **survey** on technologies for automatic **forest fire** monitoring, detection, and fighting using unmanned aerial vehicles and remote sensing techniques

C Yuan, Y Zhang, Z Liu - Canadian journal of forest research, 2015 - cdnsciencepub.com

… and tracking of the **propagation** of large forest fires. A numerical **propagation model** for **forest fire** monitoring and detection was verified in **simulation** using a dynamic UAV **model** with six …

Landscape–**wildfire** interactions in southern Europe: implications for landscape **management**

F Moreira, O Viedma, M Arianoutsou, T Curt… - … **management**, 2011 - Elsevier

… In this paper we **review** the available scientific knowledge on the … **wildfire**-landscape relationships in the Mediterranean region. Solid lines indicate the main drivers of fire spatial **spread** …
